# WHAT IF I DON'T QUALIFY FOR NEED-BASED AID?

## MERIT AID AND COMPETITION

1. Identify where the student will be eligible for scholarships
2. Some colleges require FAFSA/CSS Profile in order to qualify for scholarships
3. [MYCAP.COLLEGEAIDPRO.COM](https://mycap.collegeaidpro.com)
4. School-by-school basis; some more generous than others

\*Ivy League, NESCAC, etc. do not give merit-awards

5. Apply to competing college

## VALUE SCHOOLS

1. Lower end of tuition range = value
- Ex: James Madison (VA) COA = ~\$40,000
- Public School [Honors Programs](#)

# 7 CRITICAL FAFSA MISTAKES

## FAFSA

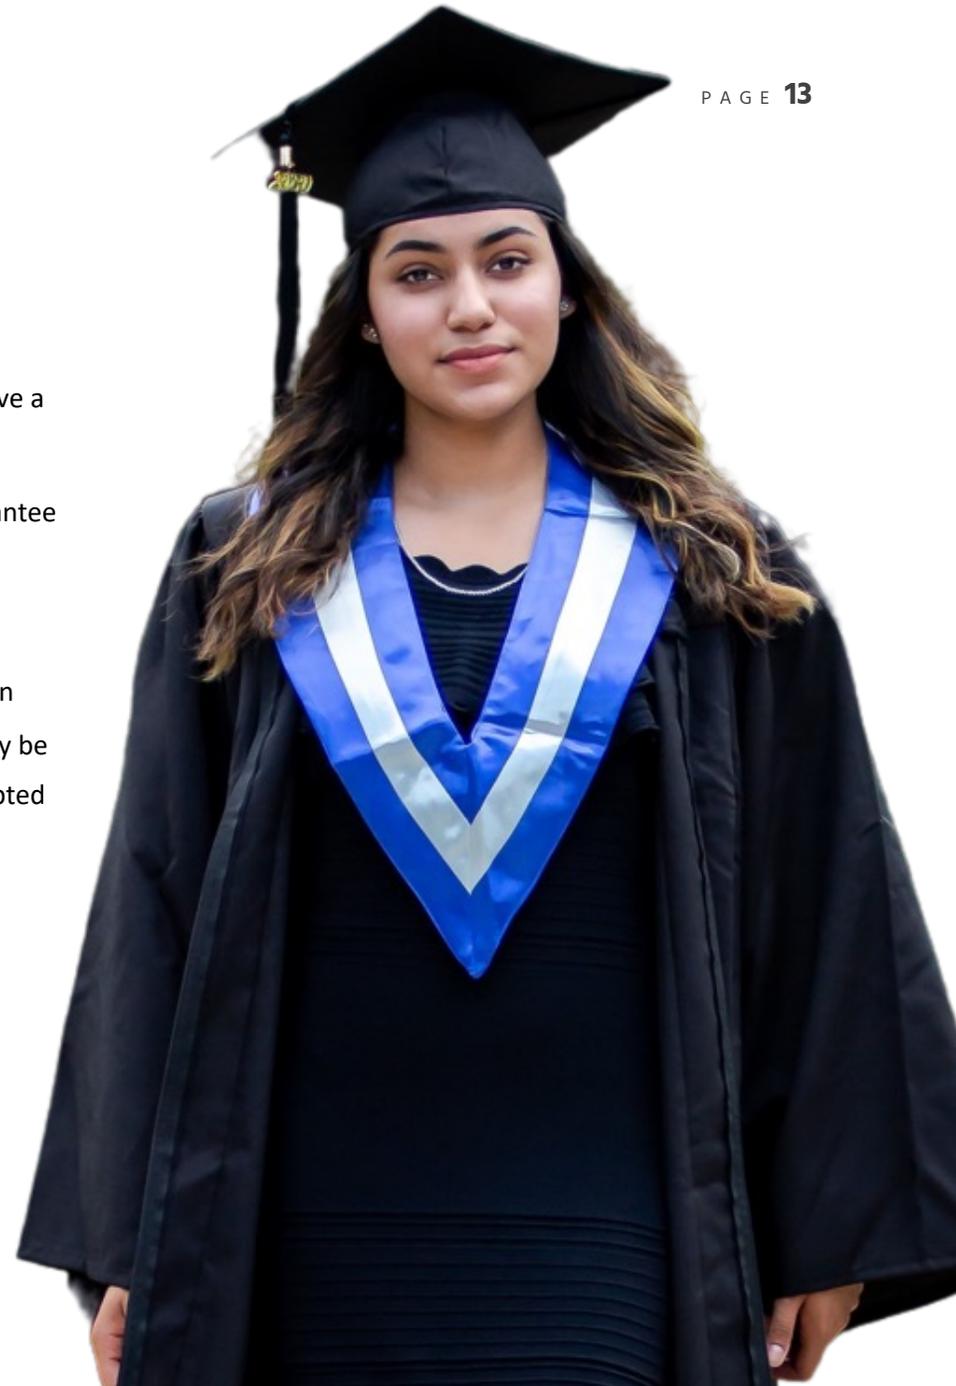

1. Do NOT include retirement savings under parent and/or student assets/investments
2. Do NOT include home equity under parent savings/investments
3. Do NOT include business value assuming it's a family business and you have LESS than 100 full-time employees
4. Do NOT include 529 accounts under student savings/investments.  
529 accounts OWNED BY THE PARENT should be included under parent assets/investments

5. Do NOT miss an opportunity for the student to have a 'work-study' job on campus. Select 'Yes.'

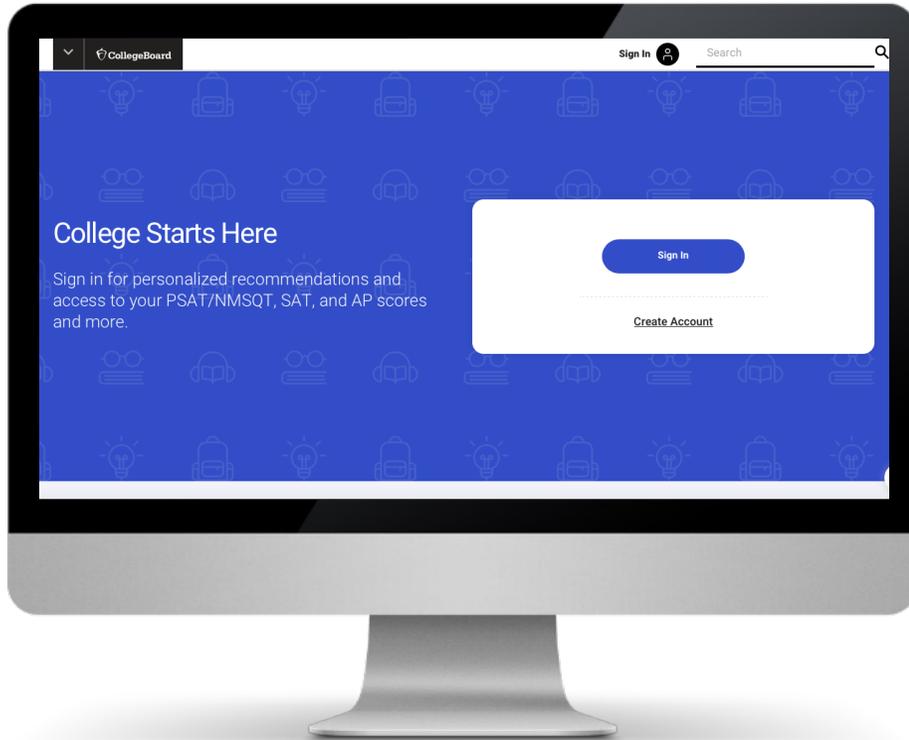

This does not obligate you to accept the job or guarantee you a position

6. Do NOT assume your Expected Family Contribution (EFC)/Student Aid Index (SAI) is what you will actually be expected to pay at each college where you are accepted

7. Do NOT miss any deadlines

# CSS PROFILE (cssprofile.collegeboard.org)

**~200 Colleges Require This Additional Application**

**Home Equity Treated As Liquid Asset**

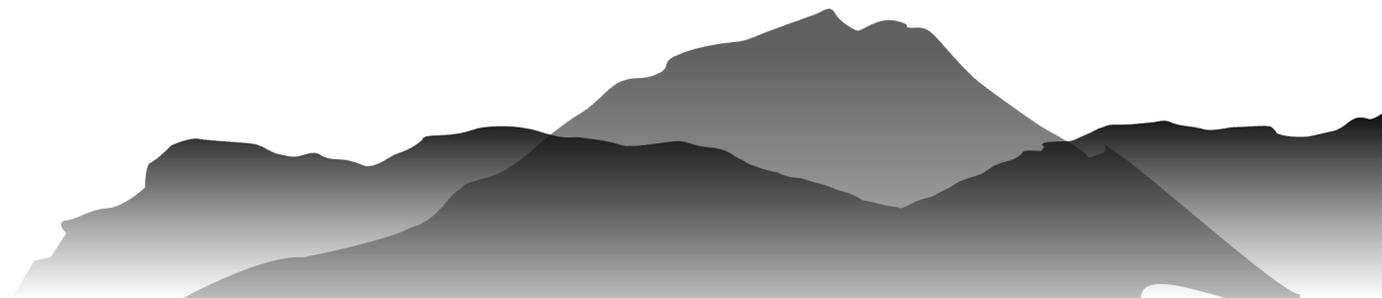

**Much More Invasive And Complex With A Lot More Questions Than The FAFSA**

**Divorced & Separated Families**

**Business Owners**

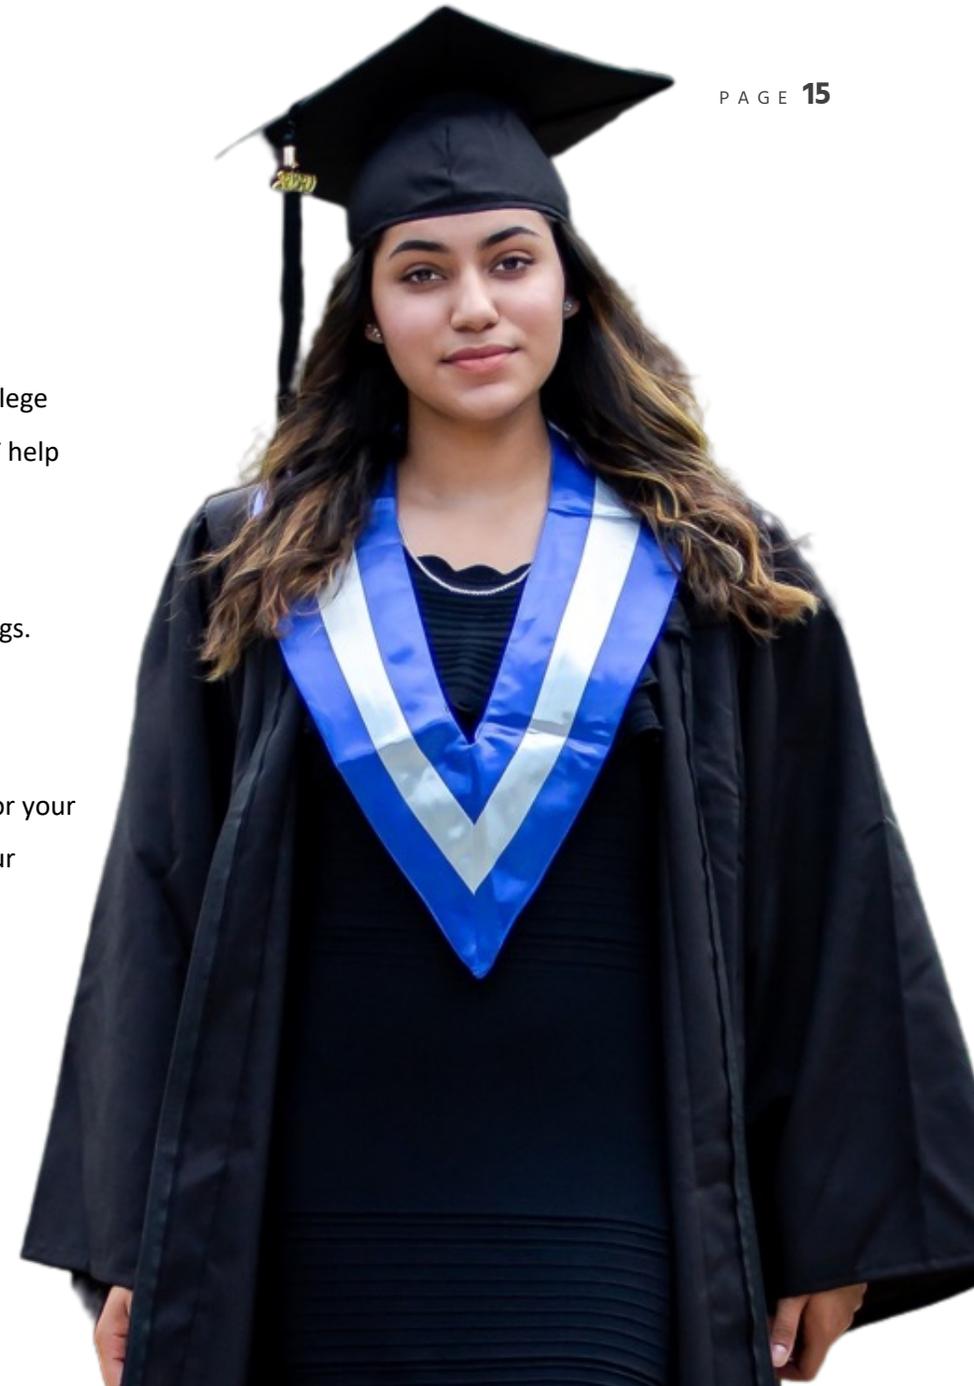

# 7 CRITICAL CSS PROFILE MISTAKES

## CSS Profile

1. Do NOT feel obligated to answer any questions you are not required to answer. You are only obligated to answer questions that say Required.
2. Do NOT overvalue your primary residence if you are a homeowner.
3. Do NOT include 529 accounts under student savings/investments. 529 accounts OWNED BY THE PARENT should be included under parent assets/investments.
4. Do NOT overstate how much you can pay for college each year. How you answer this question CANNOT help you, but it CAN hurt you.
5. Do NOT overestimate future year income earnings.
6. Do NOT make your appeal case in the Special Circumstances section. It is typically best to wait for your acceptance and award letter before presenting your appeal case.
7. Do NOT miss deadlines.

# PROS AND CONS OF THE 2024–2025 SCHOOL YEAR FAFSA CHANGES

## PROS

- More resources for low-income families
- Easier to qualify for PELL
- Less Questions; ~100+ questions vs ~35 questions
- Child support treated as asset, NOT income
- Most untaxed income eliminated from formula
  - Workman's Comp, Veteran Benefits, 401(k) & 403(b) pre-tax contributions, "other" untaxed income

## CONS

- Families with multiple children in college will no longer receive discount
- Parent that provides the most financial support in 2-household families will be required to complete FAFSA
  - Previously completed by custodial parent/s
