NO ONE SCHOOL IS ALIKE

DEADLINES ARE PARAMOUNT

EVERY COLLEGE REQUIRES THE FAFSA

Many Private Colleges Require the CSS Profile and/or Their Own Institutional Form in Addition to the FAFSA

IS THE RESPONSIBILITY OF THE STUDENT/PARENT TO KNOW DEADLINES/REQUIREMENTS

Most Colleges are not Proactive and Sometimes Only Communicate with the Student

6 CRITICAL FAFSA MISTAKES

FAFSA

- 1. Do NOT include retirement savings under parent and/or student assets/investments
- 2. Do NOT include home equity under parent savings/investments
- 3. Do NOT include 529 accounts under student savings/investments.
529 accounts OWNED BY THE PARENT should be included under parent assets/investments
- 4. Do NOT miss an opportunity for the student to have a 'work-study' job on campus. Select 'Yes.'
This does not obligate you to accept the job or guarantee you a position
- 5. Do NOT assume your Expected Family Contribution (EFC)/Student Aid Index (SAI) is what you will actually be expected to pay at each college where you are accepted
- 6. Do NOT miss any deadlines

CSS PROFILE (cssprofile.collegeboard.org)

~200 Colleges Require This Additional Application

Divorced & Separated Families

Home Equity Treated As Liquid Asset

Business Owners

Much More Invasive And Complex With A Lot More Questions Than The FAFSA

7 CRITICAL CSS PROFILE MISTAKES

CSS Profile

1. Do NOT feel obligated to answer any questions you are not required to answer. You are only obligated to answer questions that say Required.
2. Do NOT overvalue your primary residence if you are a homeowner.
3. Do NOT include 529 accounts under student savings/investments. 529 accounts OWNED BY THE PARENT should be included under parent assets/investments.
4. Do NOT overstate how much you can pay for college each year. How you answer this question CANNOT help you, but it CAN hurt you.
5. Do NOT overestimate future year income earnings.
6. Do NOT make your appeal case in the Special Circumstances section. It is typically best to wait for your acceptance and award letter before presenting your appeal case.
7. Do NOT miss deadlines.

PROS AND CONS OF THE 2024-2025 SCHOOL YEAR FAFSA CHANGES

PROS

- More resources for low-income families
- Easier to qualify for PELL
- Less Questions; ~100+ questions vs ~35 questions
- Child support treated as asset, NOT income
- Most untaxed income eliminated from formula
 - Workman's Comp, Veteran Benefits, 401(k) & 403(b) pre-tax contributions, "other" untaxed income

CONS

- Families with multiple children in college will no longer receive discount
- Parent that provides the most financial support in 2-household families will be required to complete FAFSA
 - Previously completed by custodial parent/s

The biggest financial concern for millions of American families is paying for college. One of the new FAFSA rules will exacerbate this problem for any families that will have multiple children in college at the same time. Currently, families receive a discount if they have multiple children in college at once. The new FAFSA rules will eliminate this discount and will effectively DOUBLE the amount families with multiple children will be expected to pay for college. Most families already struggle with affording college; this new rule will be a crushing blow for the MILLIONS of families that will be negatively impacted each year.
